Approved For Release 2003/04/22 : CIA-RDP82M00591R000300110010-7

NO FOREIGN DISSEM

1. (U) Minutes of the One Hundred and Fourteenth Meeting

The minutes of the One Hundred and Fourteenth meeting were approved.

2. (U) Nuclear Defense Agency (NDA) Briefing

A briefing was given by Mr. Marvin C. Beasley on NDA security programs. The R&D programs of NDA are divided into three major areas:

(a) Exploratory Development

(b) Behavioral Phenomena

(c) Computerized Site Security Monitoring and
Response Systems and Field Security and Testing

Members desiring further information are invited to contact Mr. Beasley

3. Task Force/Working Group Reports

a. (S/NFD) Threat Assessment

There will be a meeting of the Technical Advisory Panel at 0930 hours on Tuesday, 20 September 1977, at the Secret Service Building to review project status and priorities. The question of the classification of the title "National Technical Threat Estimating Guide . . . (subject)" was raised. It was agreed that this title line should be classified SECRET or CONFIDENTIAL depending upon the subject matter. An unclassified title following the format "Estimating Guide RD/2-76 (U)" will also be utilized for each report in the Threat Estimate series and to provide an unclassified subject line in letters of transmittal.

b. (U) Non-Tempest Security Hazards of Office Equipment

A finished draft was distributed and will be placed on the agenda for approval at the October meeting.

STATOTHR

SECRET

NO FOREIGN DISSEM

c. (U) Control of Security Technology Information

A draft report is being reviewed by the Working Group.

d. (U) Bar Specifications

The Secretary will contact DIA and identify those working in this area in light of the retirement of the Chairman of the Working Group.

e. (U) Document Destruction

A written report will be submitted covering the Group activities.

4. (U) IHC Request

The Secretary will contact the Document Destruction Working Group before the next meeting to see if the Document Destruction Working Group will respond to the IHC request. (Copy of request distributed with September minutes.)

5. (U) R&D Library

The status of individual member's R&D Libraries has been established. Over 800 items have been placed in the master library. The computer index has been reviewed and corrections are being made. It is currently anticipated that the entire library will be reissued after recent additions are microfiched and added to the computer index.

6. (C) Next Meeting

The next regular meeting of the R&D Subcommittee will be at 0930 hours of Wednesday, 12 October 1977, [REDACTED] Building.

25X1A

7. (U) Adjournment

The meeting adjourned at 1145 hours.
